Couple Wanted for Phone Box Thefts Arrested Here

Five members of Albany Police Department were instrumental Thursday in the arrest of a man and his attractive blonde girlfriend for investigation of six counts of telephone burglary.

Their apprehension, police believe, may solve a string of telephone booth burglaries from Portland, Ore., to Northern California. In addition to being charged with telephone thefts, Berkeley police have charged the pair with being under the influence of narcotics.

Local police were alerted Thursday to be on the lookout for a yellow Volkswagen driven by a white man with dark hair, accompanied by an attractive young blonde. Sgt. James McLeod arrested them in Albany. They were at the time being followed by El Cerrito Police Inspector Kenneth Giles, who spotted the car near the Plaza being driven in an erratic manner.

The couple identified themselves as Frank C. McMullen, 25, of San Mateo and Betty Jean Wenner, 19, of Portland.

Their arrest followed the looting of six telephone coin boxes at San Pablo Ave. service stations in Berkeley between 11 a.m.

Kiwanis Set Pancake Breakfast

Jordan Hiratzka, president of the Kiwanis Club of Albany-North announces that the club will give a pancake breakfast

with all of the delicious treats that go with it. It will be held on Sunday, Nov. 22, between the hours of 8 a.m. and 11 a.m. at Serb's restaurant, 1045 San Pablo Ave. in Albany.

Tickets are \$1 for adults and 50 cents for children. They may be purchased at any time at Serb's or from any of the club members.

This is the club's money-raising project from which it sponsors many community activities. During the year a few of the things the club did were to give high school scholarships, send needy children to summer camps, paying the way of high school athletes to the Conference of Christian Athletes and help in Boy Scout and Girl Scout work.

Dr. Allen Coe is chairman of the breakfast.

Exchange Club Turkey Shoot At Albany Bowl

Bob Rhea, bowling chairman for the Albany-El Cerrito Exchange club, has announced the "first annual pre-holiday turkey shoot blind doubles" at Albany Bowl for Third District Exchange and their ladies on Sunday, Nov. 15, beginning at 1 p.m.

No bowling experience is necessary, entry fee is \$3 per three games, no entries accepted after 1 p.m. The idea is to bowl three games on a pair of lanes with partners determined by "high-low" method after all games are completed. Winners will be partners having the highest total pinage. One turkey will be given for each five entries, Rhea said.

Clubs from Martinez, San Pablo, Richmond, Albany-El Cerrito, Berkeley, Oakland, East Oakland and Alameda will participate. A no-host cocktail hour will conclude the day's activities.

and 2:30 p.m. Thursday. Berkeley police say the man used a lock-pulling device to rip out coin receptacles. He passed these to the woman, who dropped them in her purse and removed the money later in ladies' washrooms.

Albany Policewoman Sigrid Oakley searched the woman, discovering in her bra a pocket knife with a three-inch blade and two pieces of metal used to open the boxes. Police also found \$29.50 in nickels, dimes and quarters in the woman's purse on the front seat of the car.

The couple admitted to a \$100-a-day narcotic habit, police said.

They were taken to Berkeley Police Department. Other Albany policemen who were involved were Inspector Art Smith and Officers Bernard Johnson and Archie K. Stirling.

Knapps Raise \$1,000 For Veterans

Frank and Lucille Knapp Monday morning delivered a check for \$1,000 to Walt Holland of American Legion post 292.

The amount was raised during Knapps' second annual veterans' benefit, held Saturday at the 1089 Club to observe their 33rd anniversary in business in Albany. All proceeds from the day were turned over to the Legion post.

"We had a wonderful crowd, wonderful weather and wonderful publicity," Knapp said Monday. "Thank the entire community for turning out. Next year we can make \$1,500."

The host couple provided a sumptuous buffet dinner and many of the prizes awarded.

Among prize winners were Edith Jones, Teflon skillet; Gene Hagen, fire extinguisher; Vern Ferris, turkey and champagne; W. Jacobson, remote control poodle; Walda Saunders, mechanical bartender; Ann Hardina, power saw; C. A. Byers, Teflon griddle; R. Stone, electric Frankenstein; W. McClain, four piece cooking set; Bill Azzari, champagne; D. E. Costa, bourbon; "Dean," transistor radio; Al Drozda, liqueurs; S. Johnson, egg poacher; E. C. Blow, Mighty Mike;

City Employees Assn. Public Dinner Nov. 21

They'll get you sooner or later. Members of the Albany Municipal Employees' association, that is.

With typical enthusiasm, they are fanning out offering tickets at \$3 per couple for the group's first annual dinner Saturday night, Nov. 21, at Eagles Hall in El Cerrito.

Chairman Bud Rooney says the social hour will begin at 7 p.m., followed by dinner at 8.

Entertainment and dancing are planned. In case—just in case—you are missed and would like to support Albany's faithful servants, call Rooney at City Hall (LA 6-6116) or try Fire Captain Dick McSheehy at LA 5-7141. They'll be more than happy to provide you with tickets!

DREAM COME TRUE — For the second time this year, Albany voters have gone to the polls and voted for city progress. Last April, they passed the city building bond issue. Last Tuesday, they passed, 5,659 to 2,165, a bond issue (Measure B) to build the above improvements at Albany High School. It's been a banner year in the city!

Measure B for Schools Receives 72.3% Yes Vote

Albany High School construction bond issue which has twice been defeated at the polls passed with a 72.3 per cent majority in the Nov. 3 election.

The \$875,000 bond measure will replace four abandoned buildings which have been closed as unsafe with two new structures and will finance some renovation and fire and panic safety work in the main building.

Results of the balloting were given to the Board of Education at its meeting last night. Board members were expected to authorize Superintendent Kenneth M. Fory to proceed immediately with new construction.

Final figures show the measure carried by 5,659 to 2,165 votes. In the City of Albany, the vote was 4,627 for and 2,137 against or 68.4 per cent. The vote in the Village was 1,034 yes, and 28 no with 97 per cent yes votes.

Buildings to be demolished are the two-story annex, homemaking cottage, wood shop and oana building. The band building used to be a church; the homemaking cottage, a residential duplex. The buildings to be constructed include one with space for art,

Who Says Cops Are Tough? Not in Albany

"The poor kid," was Police Officer Bernard Johnson's reaction to his arrest of a 16-year-old boy last Wednesday.

Officer Johnson spotted the youth speeding on Kains and chased him in the radar car. The boy pulled to the curb and Johnson approached.

"I was beside his car when we both heard the description of a boy who drove away from a filling station without paying for 12 gallons of gas," Johnson said.

"I looked at him and he nodded his head yes."

With no prior knowledge of another offense, Johnson asked the boy if he was driving a stolen car. The youth admitted stealing it in San Francisco that morning. He said he had run away from his home in Sacramento Tuesday night.

"The poor kid," Johnson repeated. "He was trapped. Nobody wanted him. He went to San Francisco with a piece of a telephone directory showing the telephone number and address of a relative. When he got there, she was gone and another door was slammed in his face. I bet he spent his last two bits getting across the bridge."

The boy was taken to the County Juvenile Hall.

vocal, band and instrumental music classes, lecture hall-little theater combination and home-making facilities.

The second building will house wood, auto and machine shops plus mechanical drawing classrooms.

About \$120,000 was whittled from the amount of the bond measure before its presentation to the voters for the third time.

Teenage Tensions Topic for PTA Thursday Night

Thursday, Nov. 12, is the date for the next meeting of the Albany High School PTA. It will be held in the school cafeteria at 7:30 p.m. with President Marian Wolf presiding.

The topic for the evening will be "Teenage Tensions," a subject of particular interest to parents of adolescent children. A drama, with a cast of two parents and two students, will highlight some of the problems which can arise in a family over such things as dates, cars, money. After the playlet, Roger Ruth, Albany school psychologist, will discuss these areas of conflict in more detail. An opportunity to ask questions of the speaker will conclude the program.

Ruth is a graduate of Kansas Teachers College and also received his Master of Psychology degree there. Before coming to Albany, he served as a teacher in Kansas and as Director of Psychological Services for the schools in Modoc County. His wife is a teacher at Marin and they have two youngsters.

At the conclusion of the program, refreshments will be served by the 11th grade mothers under the direction of Mrs. Orville Hendrickson.

Special Rotary Program Set for Tuesday, Nov. 17

Albany Rotarians will observe "Rotary Foundation Week" at the regular meeting next Tuesday, Nov. 17, when they will have members of the Albany Soroptimist club as their guests and a special speaker.

Philippe Rousseau of Angers, France, graduate student in civil engineering at the University of California in Berkeley, who was awarded a scholarship by the Rotary Club of Paris, France, for study abroad, will be guest speaker.

Rousseau is a graduate of Le-Gran Ecole in Paris, where he received the equivalent of a bachelor of science degree, according to Kenneth Fory, Albany Rotary Foundation chairman.

More than 11,800 Rotary clubs in 125 countries and geographical regions participate in "Rotary Foundation Week" Nov. 15-21, Albany Rotary President William Koser, M.D., said.

"Serving those of all faiths with dignity and respect."

Fly Your Flag: It's Veterans Day Today

Albany residents are urged to make this a red, white and blue city today, which is Veterans' Day.

Because the nation is mourning the death of Former President Hoover, it will be in order to fly all flags at half-mast, a representative of American Legion post 292 said.

The post office, city offices, schools and banks will be closed.

Parking Strip Ordinance Hearing Tomorrow Night

An important public hearing on a proposed ordinance concerning the policy on plantings in city-owned property by private individuals and types of street trees to be allowed will begin at 8 p.m. tomorrow night in the council chambers at city hall.

Copies of the proposed ordinance are available in the office of Administrative Officer James B. Turner. Those interested are urged to read it before attending the meeting.

Where's the Fire?

Albany Fire Department calls: Nov. 1, inhalator, George Christensen, 1051 Pomona, dead upon arrival of the squad.

Nov. 4, inhalator, Douglas Craik, 1106 Garfield, dead upon arrival of the squad; overheated dishwasher motor, 934 Fillmore.

Nov. 5, inhalator, 1021 Washington, Tom Moran had fallen on sidewalk, taken to Herrick Hospital.

Nov. 6, inhalator, Fred Klein, 733 Pomona, taken to Albany Hospital; lockout, 948 Madison.

Council Approves Purchase Of Site for Civic Center

Albany City Council Monday night authorized Administrative Officer James B. Turner (who was upstairs attending an important Traffic and Safety commission meeting) to execute an agreement with the University of California for the purchase of the site for new city buildings.

City buildings will be constructed on the triangular section of land bounded by Buchana, San Pablo and the new Marin extension. Total cost will be \$162,126 with a \$34,000 down payment upon execution of the contract.

In a 20-minute session, they also directed Turner to contact Rapid Transit officials on the feasibility of a study of widening Masonic Avenue from the Berkeley to El Cerrito borders using an estimated 25 feet of property for which Rapid Transit will have no need, and to contact the State Highway commission regarding the possibility of its financing the fencing and landscaping of Cleveland, Albany's only approach to Buchanan.

Girl Scout Calendar Sale Opens

The annual Girl Scout calendar sale has begun! All over Albany groups of Brownie, Junior, Cadette, and Senior Girl Scouts are deciding how many calendars to order and how they will use what they earn, in service and special projects.

The sale runs through Monday, Nov. 23. Calendars cost 50 cents, of which 10 cents goes to the troop treasury and 40 cents supplements United Crusade funds in supporting local Girl Scout troop and camp opportunities. The sale also gives troops an opportunity to learn financial responsibility.

The 1965 calendars are illustrated with color photographs of Girl Scouts in service and recreational activities, and are used by many families for small gifts.

Cornell Spaghetti Dinner Exceeds Wildest Expectations

The good women of Cornell PTA thought if 300 people came to their spaghetti dinner last Thursday night, they would be doing well. Only 246 advance tickets had been sold.

WELL! People starting lining up at 5:30 and stood four and five abreast almost to the street until it was time for the 6-8 dinner to end. The women were too exhausted after it was over to come up with an exact total of how many hungry people they fed, but it was about 500.

They ran out of children's tickets, spaghetti, salad fixings, milk and ice cream. They made four trips to the store, but they couldn't boil the spaghetti fast enough to accommodate the never-ending line. They had prepared enough spaghetti sauce (thinking they'd sell what they didn't use) and the bread and garlic butter supply was sufficient.

"We were simply shocked," a PTA committee member said later. She said to thank everyone who came for being so pleasant about waiting. Sixth grade volunteers who waited on tables saved the day for the PTA, she said.

The following won prizes: Marianne Cook, five, transistor radio; Mona McClure, eight years old, the blanket, and Robert G. Dennis (we'll never tell), the travel alarm.

Ninth Annual Lions Football Banquet Nov 19

Albany Lions club will sponsor its ninth annual Varsity Football Banquet at 6:45 p.m. Thursday, Nov. 19, in the banquet room of Spenger's Fish grotto in Berkeley.

Chairman of the club's youth committee, Del Wisenor, is dis-

an extension for drivers coming from the north.

Councilman Lewis Howell made the latter two motions. He said a cross town thoroughfare will be necessary, originally moving that Turner negotiate with Rapid Transit officials to widen Masonic at their expense. He said Hayward is involved in similar negotiations with BARTD.

Councilman Richard Clark said he would be in favor of a study but hesitated to vote for Masonic as the street to be widened without further investigation. Councilman Joel Parker pointed out that Masonic is dead-ended at the Brighton Apartments. Howell said he understands that the Rapid Transit tracks will not affect the apartments, but will go east of the Santa Fe tracks at that point. Mayor George Hein said that this is the time to negotiate with Rapid Transit because that will mean the much less area to landscape.

Councilman Joe Egenberger said negotiations between Turner and Rapid Transit representatives will be at staff level, subject to approval of the Albany Council and the board of directors of Rapid Transit.

The study will be based on BARTD paying for the widening, no matter which street is involved.

Concerning Cleveland, Howell said it is a rough road and an eyesore. "We don't want people coming into Albany to think they're already at the dump when they reach Cleveland," he quipped. He suggested a fence and landscaping to beautify this major approach.

In other matters, Councilmen voted to make a letter from Stanley D. Wilkins concerning the report of the Fire Chief on conditions of Albany school buildings a matter of record and filed; approved progress payments on the Buchanan-Marin extension, and a refund of pension contributions to former Albany policeman Robert R. Lamp.

During the meeting next Monday night, a public hearing on the proposed rest home at 905 Solano will be held. The matter has become extremely controversial and a large turnout is anticipated.

Friday, 13th, Not All Bad

If things seem to be going haywire for you Friday, which is Nov. 13, take heart. That's the day the Bank of America on Solano Avenue will be mailing out Christmas club checks.

More than 900 of the special holiday checks will be mailed from the Albany branch, William McAuley, manager, said.

Demo Club Sets Wine Tasting This Saturday

Kohler Urges Early Mailing

Reminding us that Christmas season is rapidly approaching, Berkeley-Albany-Kensington Postmaster, George B. Kohler announced a deadline of Nov. 10 for mailing Christmas parcels by surface transportation to members of the armed forces overseas.

For airmail parcels, the period is Dec. 1-10. Greeting cards for the armed forces overseas should be mailed within the periods designated for parcels if they are to have reasonable expectation of delivery prior to Christmas.

Postmaster Kohler stated that all articles should be packed in boxes of wood, metal, solid fiberboard, or strong double-faced corrugated fiberboard. All fiberboard boxes should be securely wrapped in heavy paper which materially strengthens the package. Each box should be well tied with strong cord. Unless completely packed and tightly filled, boxes are likely to be crushed. Sufficient cushioning material should be used to prevent any rattling or loosening of articles within the package.

A slip showing list of contents and addressee should be enclosed in the parcel. Forms 2966 or 2976-A, CUSTOMS DECLARATION, completed by the senders are required on parcels to many destinations.

WHAT A WEEK! Seemed everything happened at once last week. On Thursday night we stood in line almost an hour and a half before we got to the counter at Cornell PTA's immensely successful spaghetti dinner—just as they ran out of spaghetti again! It was worth the wait and everyone caught up on their socializing en route to the door.

SIGN DOWN

They've started dismantling things at Albany Police Department—in a very small way. On Nov. 2, an Albany boy came into the station to report he had been throwing his football outside and it had broken the "o" in the neon sign, "Police," on the pole in front. Realizing they won't need the sign at that particular location for long, they removed the sign and have no plans to replace it.

IT'S A GIRL

Albany Police Officer and Mrs. Robert Kratz are the parents of a girl, Debra Jean, born Nov. 5 at Kaiser Hospital in Oakland. The new father, who is most often seen on the motorcycle marking tires and issuing those dreary parking tickets, became so excited he locked himself out of his house. Officer Bernard Johnson came to the rescue.

Moose Lodge Being Organized In Albany

The Loyal Order of Moose is forming locally to join the family of fine organizations presently serving Albany.

A series of weekly "get acquainted" meetings will be held at Serb's, 1045 San Pablo, Mondays at 8 p.m. Membership director Ken James announced that the meetings which are held in the dining room will be open to all men and women in the area, "because the Moose is a family fraternity. We want the wives to be aware of the benefits of Moose membership to the family as a whole."

The 13-minute color sound film, "Fraternalism Yours" which will be shown at the meetings tells about this fraternal organization, founded in 1906, which draws its membership from all walks of life, but in the main its strongest appeal is to the working man with a modest income, since it provides an element of social security for himself and his family that he cannot find elsewhere. He gets fellowship and an opportunity to participate in community service, but most of all, it is the existence of Mooseheart, which takes care of his children should he pass on, and Moosehaven, which gives him a home in his senior years, that make this lodge particularly attractive.

In addition it lends a helping hand when needed and guarantees the fellowship of a full social life. "I can visualize a man and his wife being able to go to the lodge hall and have a pleasant evening of dinner and dancing for as little as \$3," James said. Although this is of the future, Mooseheart and Moosehaven are of the present. Mooseheart is a city for children from birth through high school, an expanse of 101 buildings on 1,200 acres of beautiful rolling prairies 38 miles west of Chicago.

Moosehaven, an independent community located on the banks of St. John's River, 1 1/2 miles south of Jacksonville, Fla., is situated on a 68-acre estate, and has an outstanding clinic for the study of the diseases of the aged. World renowned specialists visit and study here.

Upon institution of the Albany lodge the local members will decide where and when to hold meetings, and what their service projects will be. Further information can be had by contacting Glenn Cornelius, 524-9924, Bill Beller, 235-9849, Earl Smith, 235-3245, or W. G. Tredale, 526-6563.

Kevin Hickman presented Democratic Senator Salinger's issues, while Maureen Haeslop discussed Republican candidate George Murphy's views.

Cindy Harnden, Steve Eggert, and Bruce Stark spoke on behalf of Proposition 13. Tabulation and full coverage of the 1964 election results will be supervised by Mark Forry, Bill Millard, Mike Griffin, Jim McKenna, and Dennis Ryan on an election score-board and map.

The "election spirit" was further carried out by other groups of interested students. Speakers for the Democratic candidates were Bonny Jacobson, Sherry Connolly, Ross Gershenson, Curt Pihl, chairman, Bernie Johnson, Richard Glenn, Charlene Blenman, and Terry Gross.

Debaters for the Republican candidates were Carol Ball, Irene Reed, Allan Duschka, Clifford Bodamer, chairman, John Knight, Penny Robbins, Dottie Hoffman, and Peter Dunk. Speaking on behalf of Pay TV, were Nancy Nehls, Nancy Potts, and Laura Hardie.

Marin seventh graders feel that a reasoned decision in voting is more than just marking an X on a ballot. Debbie Blank was selected as the publicity chairman for this "Operation Election."

GRANHOLT SHEET METAL

Water is so fundamental a factor in fire fighting that a good water supply is the most important single factor in fire protection. For that reason, it is very important that the concern in the Fire Department is not alone for the location and condition of public hydrants but also for the adequacy and reliability of water flow throughout the community.

Following a recent study of the water supply in the City of Albany by both the City Administrator and Fire Department officials, additions were made to the water system. Today Albany boasts a network of 153 hydrants strategically placed to sufficiently supply water throughout the city available for fire-fighting. These hydrants are fed through a grid-iron of mains supplying a satisfactory volume of water ranging from 60 to 90 pounds of pressure at the hydrant outlets. When it is considered that a minimum satisfactory pressure at which water can be supplied for fire purposes is 20 pounds at the hydrant, out water pressure must be appreciated.

Not many years ago, water could not be supplied, even in adequate volume and pressure, for domestic purposes on the top of the Albany Hill. Today sufficient volume is supplied to the elevated portion of the hill (325 feet in height) at a pressure of about 90 pounds.

The amount of water required in a city includes that needed for domestic and industrial uses and that required for fire service. The average daily consumption of water in American communities ranges from 40 to 250 gallons per capita, depending on leakage, the quantity used for air conditioning, and industrial purposes, the amount of waste, etc.

Much progress has been indicated when we realize the reliability of Albany's water supply. Today with the addition of our multiple dwellings, such as we find in the University Village, our new elevations to be supplied, the extending of water supply to the industrial area west of the hill and to the general growth of our city, we can point with pride to a job that has been well done!

Jack Benny Appears In Oakland Tonight

The program for the Oakland
Symphony Orchestra Benefit to
be staged by comedian-violinist
Jack Benny tonight at 8:30 p.m.
in the Oakland Auditorium The-
atre was announced this week by
Gerhard Samuel, conductor.

According to Maestro Samuel,
Benny refuses to divulge even
the title of a "mystery number"
which will climax the famed en-
tertainer's performance here.

Benny did reveal, however, that
he will play two popular favorites
on his Stradivarius violin. They
are Sarasate's "Zigeunerweisen"
and the Second Concerto by
Wieniawsky, a gaily flamboyant
composition by the famous 19th
century violinist.

The association announced that
a few remaining tickets may be
purchased at box offices at Sher-
man Clay, Oakland, at Breuner's,
Berkeley, at ASCU box office,
U.C., Berkeley, or at the Oakland
Symphony office (444-3531).

A few tips on cutting the cost of winter heating bills.

The amount of your winter heat-
ing bill depends on how your
heat is used—because gas rates
have been going down. Here's
how to keep your bill down, too.

1. Good insulation pays for itself.

Floor and ceiling insulation lets
you heat rooms quickly—and
cut heating costs as much as
30%. Good insulation in-
creases the value of your home
—and it will probably pay for
itself in just a few seasons.

2. Heat circulation requires good ventilation.

Filters in forced-air furnaces
need periodic replacement. But
if you take the filter out and
vacuum it you won't have to
put a new one in as often. Keep
wall and floor heaters clean of
dust and lint to insure an even
flow of air.

3. Heat dollars can go up the chimney and out the window.

Open fireplace dampers and big
picture windows take away big
chunks of your heat. Close the
damper when the fireplace isn't
in use, and draw the drapes or
curtains in cold weather.

4. Weather strip now, be warm later.

Weather stripping around win-
dows and doors plugs heat
leaks, keeps out drafts. A door
jamb may require a metal strip
which can take the constant
friction of opening and closing.
Loose windows may need thick
felt stripping.

5. Control temperatures (and tempers).

Agree to set your thermostat at,
say 69°—and leave it there. If
Junior says he's cold have him
put on a sweater. Frequent
changes in room temperature
mean a bigger heating bill.

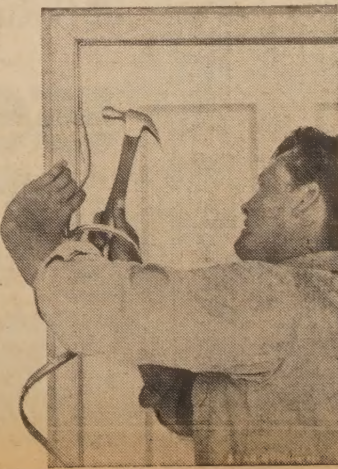

6. A little light on your winter bill.

Cold weather increases your
use of gas or electricity for heat.
Your winter PG&E bill will also
reflect shorter days, longer
nights, an increased use of
lights and TV, more cooking
and new appliances.

Service Bargain

Since 1961 there have been 3 major
reductions in PG&E Rates. Today, the
typical customer pays less than 30
years ago for the same amount of gas
and electricity. Which means PG&E
service is a bigger bargain than ever.

Thanks For Writing . . .

Editor, the Times:
"A word of thanks."
As chairman of the Albany Republican Headquarters, I wish to thank every person who gave so tirelessly and so sacrificially of their time to come to the headquarters day after day for almost six months, in order to keep the headquarters open and to work for all of our Republican candidates.
We may have lost the Presidential race today, but we have not lost the desire nor the determination to continue to work together for a better America tomorrow. As Barry Goldwater said in his election statement, "more than 25 million people voted, not necessarily for me, but for a Republican philosophy that I represent, a philosophy that I believe the Republican party must cling to and strengthen in the years ahead. There is a two-party system in this country and we are going to keep it. We are going to devote our days in the years ahead to strengthening the Republican party, to getting more people into it and I feel that the young people coming along will provide the army that we need."
We have had a good campaign, which has given us an opportunity to meet many wonderful

people in this area. Let's not slack up now but continue to work hard. I would invite all who helped in this campaign to join with our Albany Republican Assembly, which meets on the fourth Wednesday of each month at 8 p.m. in the Cornell School cafeteria in Albany.
Again, may I say thank you for making the Albany Republican Headquarters a place to be proud of during this great campaign.
V. M. CHESTER, Chairman, Albany Republican Hdqtrs., 1250 Solano Avenue, Albany, California
Editor, the Times:
Words are inadequate to express my deep feelings of grati-

tude that I have for all of the members of my Finance Committee — Allan Coryell, Dario Meniketti, Stan Young, Herb Letin, Erma Bremer, Peggy Thomson, Phyllis Cirimelli, John Hakanson, Janet Clyde, Sam Henri, Andy Heffernan, Dick Lyness, Roland and Jane Schinzinger, Geraldine Cook, Sally Applegate, and Robert Barnes. All of you deserve the plaudits of the entire city for the wonderful job that you did in raising the funds for our school bond campaign. Also, may I convey my thanks to the many people of Albany who dug down into their pockets to finance the campaign, and thanks to the PTA groups and others who baked pies, cakes

and goodies to make our cake sale a success.
And of course, to be sure, thanks to you the voters of Albany, you really put the frosting on the cake, by casting your favorable votes.
And finally to the Bond Boosters, it was a great pleasure working with you. The exalting experience is one that I shall remember and cherish the rest of my life.
Sincerely,
RAYMOND CIRIMELLI,
Finance Chairman,
Bond Boosters
Editor, Albany Times:
May we express our deep ap-

preciation for your support of our recent successful school bond election.
The generous coverage in the news columns and your editorial backing contributed greatly to the happy culmination of a true community effort.
The Board will move rapidly to get the building job completed with all due speed.
Thank you again for your help.
Sincerely,
CHARLES A. PINKHAM,
President, Albany Board of Education
Editor, the Times:
I wish to express my sincere thanks to you for the excellent publicity you kindly gave in your paper to the El Cerrito Unit Nations Day celebration, which was held on October 24. The program was very successful and well attended. Your cooperation was a great help in its success.
Sincerely yours,
SUNDA R. S. SHADI,
Chairman, El Cerrito Unit Nations Day Celebration, 944 Arlington, El Cerrito
Copy of a letter sent to: Barry Runnion, Jr., Chairman Albany Bond Boosters
Dear Barry:
Unofficial returns on this early post-election morning indicate that the school bonds have been passed. My first thoughts are relief, appreciation, and pride. Relieved that is over, and I can now begin to offer the students at Albany High School equal facilities; pride in working with a community that recognizes the value of quality education; and appreciation to many persons who worked hard to achieve success.
Through you, therefore, I was able to extend the sincere appreciation of our faculty and student body to the many, many, wonderful persons who spent hours of time in support of the bond issue. It is indeed gratifying to be assured that people care; reciprocity we at the high school will redouble our efforts to provide an outstanding education for all Albany youth.
Again, our thanks to you for your dedication to a worthwhile cause.

HARRY J. PRICE,
Principal,
Albany High School
Editor, the Times:
As chairman of the Albany Bond Boosters, I wish to take this opportunity to thank every one who worked so faithfully toward the successful passage Measure B on Nov. 3.
Many of those who worked on this campaign have served one or both of the two previous unsuccessful attempts to improve Albany High School. Their enthusiasm was as evident this time as it has been before. We all had the valued assistance of new people on this committee and welcomed their ideas and willingness to work.
In the final analysis, however, it is the people who go to the polls and vote who determine what shall and shall not be done. We are grateful that so many of you voted yes on Measure B. Thank you on behalf of the Bond Boosters and on behalf of the children of Albany.

Werronens Observing 15th Anniversary at Steam Bath

Wayne and Syma Werronen, who own Albany Steam Baths at 1602 Solano, are observing their 15th anniversary in business in Albany this week.

He is a licensed physical therapist and she is a registered nurse. From 11 a.m. to 8 p.m. Tuesday through Saturday, they provide Finnish Rock sauna and Swedish massage with private baths for men and women.

"Werronen was born in Ohio of Finnish parents, who returned to Finland when he was three years old. After 14 years, he returned to Ohio, later going to Waukegan, Ill., where he met his wife. They attended physiotherapy school in California.

When the couple started in business here, they worked for the owners of the steam bath from January, 1949, until November, "around Armistice Day," when they purchased it. They live in the same building and have raised two daughters in Albany. Mrs. Diane Wyman lives

near Santa Barbara and Mrs. Linda Broderick lives on Ventura in Albany. The Wymans are the parents of a son and daughter.

Werronen is a member of Albany Masonic lodge, Scottish Rite and Bayview Aerie of Eagles. She is a member of Eastern Star. Both belong to Holy Trinity Lutheran church in Berkeley.

"Our business is mainly to keep well people well," Mrs. Werronen said. "Albany area people have been good to us and we feel we owe them our thanks on this, our 15th anniversary."

AHS Marching Band In Parade Today

The annual Alameda County Veterans' Day parade, to be held this year in Hayward, will once again include the Albany High School marching band. This parade will again be the nation's official observance of Veterans' Day in the Western United States.

The parade's chairman, Arthur B. Geen of Oakland, expects over 150,000 spectators. "Alameda County's tradition of conducting the nation's largest and finest parade on November 11 again will be self-evident," he said.

DKG's Have Pot Luck Dinner

Tuesday evening, Epsilon Theta Chapter of Delta Kappa Gamma had a social meeting in the form of a fund-raising pot-luck dinner.

Mrs. Frances Tilbury, of 966 Ventura Ave., Albany, was hostess to the group. The following committee planned the dinner: Margaret Gilchrist, Elizabeth Lott, Virginia Cullinane, Elizabeth Danner, and Beth Heckman.

This group has as one of its annual projects a grants-in-aid which is presented to a high school senior who plans to go into the field of education. This is given on alternate years to a senior at Albany or El Cerrito High School.

Additional features will include a "Whatzit Shop" and almost new jewelry. Mrs. Robert McFadden and Mrs. Austin Angrell are busy gathering up a lovely assortment of "jewels" to be sold most reasonably.

Mrs. Victor Brandt is in charge of tickets which can be obtained from Executive Board members or at the door. The money raised from this event allows the PTA to donate a number of scholarships to graduating seniors. The public is invited and in fact urged to attend, to help make these scholarships a reality.

AHS Senior Class Play Nov. 20

Albany High School seniors will present "Design for Murder" by George Batson at 8 p.m. Friday, Nov. 20, in the school auditorium-gymnasium.

Tickets at 75 cents each will be sold at the door.

The school orchestra, featuring one number conducted by Greg deGiere, will be making its first public appearance of the school year.

BIG TROPHIES — You'd never recognize him, but the bearded gent third from left is Albany Fireman Tom Oakley as he looked on his return from a big game hunt in Northern British Columbia, Canada. Others, from left, are R. D. (Wally) Wallace of Richmond; Jack (Skip) Wilson, Pinole, and Bill Taylor of San Francisco. The fellows were gone 23 days, bagged four caribou, three moose and a huge mule deer. Oakley was down to a red moustache by the time he brought this picture to the Times.

Nourishment Association Adopted by Soroptimists

The little-known Nourishment Association has been in operation for a number of years in Albany. Its main function is to provide lunches for needy children in the Albany schools. The Soroptimist Club of Albany has assumed the responsibility of the management of the association and plans to assist in every way possible to raise funds for this very worthwhile project.

Mrs. Irene White, a member of the service committee of the Soroptimist club, will head the Nourishment Association for the coming year. Mrs. White stated that her committee will be calling on the various other service groups and the PTAs to cooperate in this venture. Any Albany citizen who

might wish to make a contribution to help an Albany child with needed nourishment may contribute any amount, no matter how small or large, by contacting Mrs. Irene White at the Bank of America on Solano Ave., Albany.

Mrs. White noted that this type of activity of the Albany Soroptimist Club is in the interest of service and civic participation. Other committee members are Eleanor Sanjuk and Althea Ippolito.

Due to the holiday, Veterans' Day, on Wednesday, Nov. 11, Mrs. Bernice Boyd, president of the Soroptimist club, announced a round table meeting at Serb's restaurant at 12 noon.

COMPLETES COURSE

Fire Captain John Hoeth has completed an instructor course for the American Red Cross. All company officers of the Albany Fire Department must possess an instructor's card in this field. Captain Hoeth has taken advanced instruction in first aid so as to instruct other members of the department and rescue squad members in new techniques that have been recently advanced.

Band Uniform Fund Campaign Now At \$300 Toward \$1,200 Goal

The band's uniform fund campaign was the number one agenda item at the first meeting of the Albany High School Band Boosters.

At that meeting, Albany post of the American Legion, through President J. M. Robbins, presented the Boosters organization with a \$100 check to kick off the drive for new uniforms. Accepting the check on behalf of the band was director Ernest "Doug" Douglas, and on behalf of the Band Boosters was its president, Al Klose.

The group will meet again at 7:30 p.m. next Monday in the temporary band building, portable one, on the high school grounds.

Douglas and Mr. and Mrs. Klose will attend the meeting of Albany Lions club tomorrow night at Palm Gardens to discuss the uniform needs of the band.

Band Boosters, a group of adults organized to promote the instrumental music program at Albany High School, has recently embarked on a community-wide effort to provide new uniforms for the band.

Uniforms the students are wearing now were purchased in 1948, making them older than most of the band members. Lately, Band Director Douglas reports, these uniforms have been giving him some trouble. The hats have been almost completely ruined by continual cleanings, and this year he has decided not to use them at all. The white belts are yellowed, he states, so that they will not come truly white. Worst of all, the white trim on the uniforms has become frayed and tattered, giving the entire uniform a sloppy look. When the Boosters investigated the possibility of getting new trim, they found it would cost as much as new uniforms.

In addition, there is a natural

tendency for uniforms to become torn, beaten and generally downgraded in 15 years of service. Furthermore, Douglas says he is hesitant about having the band appear alongside other high school bands, simply because the uniform style is old and dated.

Possible new uniform styles were modeled at the Band Boosters meeting by members of the band. One style, a semimilitary red jacket with a white overlay for outdoor appearances, would cost around \$3,500. The other style, a red blazer with dark pants, is priced at about \$2,600. Douglas has not yet made a final decision as to which uniform to try for, and he is open to advice.

The Band Boosters have set \$1,200 as the goal for the fund drive for this school year, with the expectation that the school district will then pay the remainder of the cost. Of his \$1,200, \$300 has already been raised, including the American Legion contribution.

At that first Boosters' meeting of this school year, plans were discussed to raise the remaining \$900. Al Drozda was appointed chairman of a committee to consider staging a breakfast or dinner, while Rex Volheim and H. F. Call will work together on a plan to enlist community support for the new uniforms.

NEW BAND UNIFORMS? If the current fund drive of Albany High Band Boosters is successful, a selection of uniforms for the band will have to be made.
